U.S. Ambassador to the Federal Republic of Germany  
Pariser Platz 2

Ambassador,

please allow us to contact you in a matter which is only indirectly connected with the U.S.

We received a message from Palestinian friends describing the detention of a 12-year-old Palestinian boy by the Israeli military. We enclose this report with this letter.

Ambassador, we know about the strong ties between the U.S. and Israel. Therefore we are certain that your government may be helpful in freeing this boy soon. We ask you to contact the appropriate people within the U.S.-administration and forward this urgent request.

Sincerely

Renate Dörfel-Kelletat und Frank Dörfel
